Antidotes: External: Flood with water, then wash with vinegar. **Internal:** Give vinegar or juice of lemon, grapefruit, or orange copiously. Follow with olive oil.

Eyes: Wash out with 5% Boric Acid solution. **CALL PHYSICIAN.**

DO NOT MIX WITH OTHER DRAIN CLEANERS OR TRANSFER TO ANOTHER CONTAINER. RINSE EMPTY CONTAINER BEFORE DISCARDING.

DIRECTIONS

Pour drain opener directly into the drain after removing as much water as possible.

Removes grease, hair, rags, paper and other organic matter which causes clogged drains. Extreme wetting and penetrating properties quickly opens drains without usual disagreeable odors or harm to drain lines.

Excellent for stoppage caused by grease. Unlike other drain openers which convert grease to a hard soup, this drain cleaner saponifies grease to a soft mass which readily flows down the drain.

No back up odor. Packed in safe plastic containers.
