

MIX WELL BEFORE USING

MULTI-FUNCTIONAL PROTECTIVE COATING

NEW PROTECTIVE COATING • PREVENTS RUST

CAUTIONARY INFORMATION:

1. CONSULT THE MATERIAL SAFETY DATA SHEET. DO NOT TRANSFER TO UNMARKED CONTAINERS. FOR INDUSTRIAL/PROFESSIONAL USE ONLY. KEEP OUT OF REACH OF CHILDREN.

2. WARNING: Liquid and vapor can cause irritation to the eyes, skin and respiratory tract. Repeated skin contact can cause defatting and dermatitis. Inhalation can cause nausea and headache, possible unconsciousness and even asphyxiation. Ingestion can cause gastrointestinal irritation, nausea, vomiting and diarrhea. Aspiration into lungs can cause chemical pneumoconiosis which may be fatal. Reports have associated repeated and prolonged exposure to anemia, liver abnormalities, kidney damage, eye damage and cardiac abnormality.

3. FIRST AID: In case of skin contact, wash thoroughly with soap and water; for eye contact flush immediately with plenty of water for fifteen (15) minutes and call a physician. If affected by inhalation, remove to fresh air, administer oxygen if necessary and see a physician. If mix is swallowed, do not induce vomiting and see a physician immediately.

4. SAFETY: Rubber gloves and/or barrier creams, protective clothing, goggles and a NIOSH/MSHA approved respirator (if TLV is exceeded) should be worn. Provide sufficient mechanical and/or local exhaust ventilation to maintain exposure below TLV's.

5. DISPOSAL: In case of spillage, absorb and dispose of in accordance with applicable federal, state and local regulations.

6. SPECIAL PRECAUTIONS: Since emptied containers retain product residues (vapor, liquid, and/or solid) extreme caution should still be exercised in their handling. Keep out of reach of children. Not for internal consumption. Prior to use, consult MSDS and read warnings noted on product package for more information.

7. CAUTION: COMBUSTIBLE: Keep from heat or open flame. Avoid prolonged or repeated breathing of vapors and prolonged or repeated contact with skin. Use with adequate ventilation. Do not take internally. Before smoking, eating or after using, cleanse hands thoroughly. Keep container closed.

An all new revolutionary coating that can be used on any surface. It will protect, preserve, and beautify with long-lasting durability. Use to restore the "wet look". Colorless—high gloss—hard protective finish that will resist oxidation, corrosion, salt, air and weathering. Waterproofs and protects grease and oil from adhering to coated surfaces.

DIRECTIONS:

Read directions twice before starting. **Multi-Functional Protective Coating** must be used on surfaces that are dry and free from oil, grease, wax and other contaminants. Use heavy-duty degreaser cleaner to insure surface cleanliness.

Mix well before using. Material can be used right from container. Can be applied by brush, roller or spray. If thinning is necessary to spray, add 5%-10% lacquer thinner. Use with adequate ventilation. Keep out of reach of children.

Recommendations for the use of this product are based on reliable tests. No guarantee of results are implied where conditions are beyond our control. Under no circumstances or conditions, either expressed or implied, will the manufacturer be liable for damages in excess of the purchase price of this product.
